

Made possible by the New Rural Healthcare
Workforce Initiative

LIFE-STEP™ PROFESSIONAL – HEALTHCARE WORKFORCE READINESS

Start your healthcare path here.

A 15-hour workforce readiness course for adults preparing for healthcare and home healthcare roles.

No cost to eligible participants

15 hours

In person, hybrid or some virtual sessions

What you will build

- Professional skills employers value
- Telehealth and EVV
- Budgeting and pay stubs
- Microsoft 365 and Copilot basics
- Cybersafety and HIPAA awareness
- Résumé, LinkedIn and interview practice

Who can join

Adults interested in healthcare or home healthcare work who live in Anderson, Blount, Campbell, Cocke, Cumberland, Loudon, Monroe, Morgan, Roane, Sevier or Union County.

Graduates who complete all 15 hours and required forms receive a certificate of completion and take home a refurbished laptop.
